COUPLES THERAPY

Fri, March 12 - Sat, March 13, 2027 at 7:00 pm

GREER CABARET THEATER

Witness the hilarity and mischief that unfolds when Couples dive into Therapy. This unforgettable evening of laughter and entertainment is a unique and clever combination of theatre, stand-up comedy, and improv that is as funny as it is insightful. Audiences go on a hilarious and interactive ride as a pair of married relationship experts attempt to help couples with their relationships but as the show wears on, we see that they have more problems than their patients!

And fear not guys, this is not one of those beat down sessions on men. Instead, we equally explore, appreciate, and laugh at the differences between men and women. The show offers endless humor packed with practical relationship advice rooted in science and psychology (we really did our homework!) So strap in, as we don't just break the fourth wall, we smash right through it!

In short, this show will either strengthen or completely destroy your relationship. Either way, you're welcome!!
