

Schooltime: MADE IN PITTSBURGH

Pittsburgh Arts Tour Guide Group Project

Objective	<ul style="list-style-type: none"> Students will research, design, and present a group/class project showcasing an artist featured on the Schooltime: Made in Pittsburgh concert. The project is designed for students in grades 4-6.
Pre-Project Discussion Question	<ul style="list-style-type: none"> What Pittsburgh artists have you heard about? What do you know about them?
Directions	<ul style="list-style-type: none"> Review: Use the Made in Pittsburgh Timeline to review the Pittsburgh artists featured on the concert. Research: Break the class into groups. Assign an artist to each group or let the students pick an artist of interest. Direct students to research their Pittsburgh artist and include examples of their artist's work. Design: Encourage students to get creative to show off their artists. See format suggestions for some different ideas. Present: Have each group act as a tour guide for their artist, including highlights throughout the life of the artist. Share: Work as a class to combine all projects into a complete Pittsburgh arts tour guide to share with your school.
Format Suggestions	<ul style="list-style-type: none"> Poster Tri-fold brochure Skit or play Collage PowerPoint Letter Anything else you can imagine!
Extension	<ul style="list-style-type: none"> Have each group research another artist of the same discipline from a different time. Compare to the artist featured on the concert.
