## ABOUT THE WORKSHOP

A Fresh Step: Body movement

Dennis Garner is a professional drummer, music producer, and teaching artist from Pittsburgh, PA. He is an 11x first place champion of regional and national step body movement competitions.

Dennis's class will provide a fun and unique opportunity for Scouts to learn how to create rhythmic patterns with their bodies through the traditional and contemporary Stepping styles seen in Step Afrika!

## ABOUT DINNER

Cheese and Pepperoni Pizza and water and soda will be provided for those attending the workshop. Should your Scout not be able to eat the meal provided please feel free to bring a packed meal.

## ABOUT THE SHOW

Step Afrika! celebrates stepping. Like a tap dance without shoes, or a band without instruments, stepping is percussive dance that uses kicks, stomps, claps and chants all linked to African and modern dance traditions. The first professional company devoted to stepping, Step Afrika!'s high-energy performance is a feast for the eyes and ears.
