GROUP RATES START AT 10 OR MORE TICKETS AND ON SALE NOW!

For over three decades Rosanne Cash has been one of the most compelling figures in popular music, with a remarkable body of work noted for its emotional acuity, rich and resonant imagery, and unsparing honesty. These special qualities, which enable her to establish a unique intimacy with her audiences, also inform her recent, long-awaited memoir.

The eldest daughter of country music icon Johnny Cash and stepdaughter of June Carter Cash of the legendary Carter Family, Rosanne's musical and family legacy is rooted in the very beginnings of American country music with its deep cultural and historical connections to the south. Her own thoughtful, genre-blurring approach, which encompasses country, rock, roots and pop influences, has garnered her a Grammy, twelve Grammy nominations and eleven No. 1 singles. On her 2009 album *The List*, Cash recorded twelve songs from the list of "100 essential country songs" that her father compiled for her, and instructed her to learn, when she was 18 and about to join his road show. *The List* received two Grammy nominations and won the Americana Music Association Awards' 2010 Album of the Year.
