## UNDER ONE SKY TOUR

**GROUP RATES START AT 10 OR MORE TICKETS AND ON SALE NOW!**

Get ready to hear The Tenors like you've never heard them before.

On their new album, *Under One Sky*, the multi-platinum Juno-award winning foursome co-wrote eight tunes, showing facets of themselves they've longed to share with their millions of fans. "We've had eight years together and we wanted to turn those memories into music," says Clifton Murray, who is joined in The Tenors by Victor Micallef, Remigio Pereira and Fraser Walters.

The Canadian group has written a handful of songs for their previous three sets, but *Under One Sky* marks the first time their songwriting talents stand toe-to-toe with their vocal prowess. In the process, they've created a rich collection that expands on their earlier efforts, while delving deeper into their collective strength as artists.
