# ALTON BROWN LIVE EAT YOUR SCIENCE

**GROUP RATES START AT 10 OR MORE TICKETS AND ON SALE NOW!**

Alton Brown Live: Eat Your Science” ([www.altonbrownlive.com](http://www.altonbrownlive.com)), the follow-up to the smash “Edible Inevitable” tour, will hit the road in 2016. Fans can expect more comedy, talk show antics, multimedia presentations and music (yes, he sings), but Brown is adding a slew of fresh ingredients including new puppets, songs, bigger and potentially more dangerous experiments and what every cook needs in his kitchen – fire! Brown has a knack for mixing together a perfect base of science, music and food into two hours of pure entertainment. Critics and fans rave about the interactive fun when Brown invites an audience member on stage to serve as his assistant. This year’s show has even more protective ponchos for the first few rows when things get even more messy. According to Alton, “there will be plenty of new therapy inducing opportunities during our audience participation segments. I don’t want to give too much away, but we’re also going to play a little game with the audience,” says Brown.
