Tickets cannot be resold, transferred, or distributed to any ticket broker or other person/entity.

Unfortunately, it is not possible for teachers to select seats. Groups will be seated in the auditorium upon arrival. Requests for Accessibility or other special needs are welcomed, and we will do our best to honor such requests.

Are ticket and bus subsidies available?

Yes. We offer bus and ticket subsidies for under-resourced schools. While we prioritize schools that are most under-resourced, we recognize that budgets are complicated and nuanced and strive to meet organizations where they are to ensure that we can move forward with programming whenever possible.

Note: Subsidy requests forms must be submitted at least four weeks prior to the performance date. Schools are responsible for scheduling buses and confirming with preferred transportation providers.

You will not receive individual tickets after you register for a School Day Matinee. You will receive an email confirmation containing a group ticket as well as an email reminder prior to your performance.
