

BEHOLD THE BOLD UMBRELLAPHANT

# The Yellow Elephant Speaks!

*A Parts of Speech Game*

**Sorting Game:** Sort the words in the grid below into parts of speech. Point to or place a small object on: 1) all of the nouns, 2) all of the verbs, 3) all of the adjectives. If you want, cut out the tiles and move them into groups.

**Building Game:** Cut out the tiles and place them face down. Take turns picking tiles until each player has at least one noun, one verb, and one adjective. Move your tiles around to create a sentence. **BONUS:** Make up a story based on your sentence. The funniest story wins the game!

**Now It's Your Turn!** Use the blank tiles to add your own words to the game. Write one word on each tile. Remember to include at least one example of each part of speech: noun, verb, and adjective.
