

DOG MAN
The Musical

COMPREHENSION AND REFLECTION

Have you ever read a DOG MAN book?

If so, which one is your favorite?

Who is your favorite character?

Setting:

The place where a story happens.

In *DOG MAN: THE MUSICAL*, what is the setting?

Costumes Tell Stories.

Actors wear clothing and accessories that help the audiences determine who the character is, where they are located and in what time period the story takes place. **What does Petey wear that tells the audience he is a cat?**

Flippy

Chief

Puppets

as Characters!

Hand puppets are used in this show to portray different characters.

Circle the names of the two characters that are portrayed by hand puppets.

Greg
The
Dog

Dr.Dookie

Use this space to explain why you think the creators of this show chose to have these characters portrayed by puppets instead of people.

Sound Effects

Sound Designers use sound to tell the audience where a story takes place, what is happening and how the viewer should be feeling.

What sound effect did the designer use to make the audience feel worried when Flippy is introduced?

How many years does Petey have to wait for Li'l Petey to reach adulthood?

Petey vs Li'l Petey

They share a name, but have very different emotions.
After watching their scenes and songs, write some words to name the feelings and emotions that each of them show or say.

Petey is worried he has grown a

Intermission

Based on what the actors said, write a description for the word
INTERMISSION.

Transformation

The character of Flippy appears in two forms.
First, we see Flippy as a hand puppet in a fish bowl
and later we see this fish portrayed by an actor.
How does the audience know this is the same
character? How has the character changed?

What does Petey say is the name of this robot suit?

What is the first thing Li'l Petey wants to do in the robot suit?

Be a pen pal, like Li'l Petey, and write a short comic for a friend.
