

GROUPS 10+ TICKETS ON SALE NOW!

Cirque Mechanic's
TILT! A CIRCUS THRILL RIDE
Fri, April 16, 2027 at 7:00 pm
BYHAM THEATER

In Tilt!, Cirque Mechanics takes you on a journey to the back-lot of their inventive theme park, where in the shadow of the roller coaster and under the lights of the Ferris wheel, you'll meet the carnies, characters and operators that keep the thrills coming and the rides running.

Cirque Mechanics, although inspired by modern circus, finds its roots in the mechanical and its heart in the stories of American ingenuity. The shows, rooted in realism, display a raw quality, rarely found in modern circus, that makes their message timeless and relevant. The stories are wrapped in circus acrobatics, mechanical wonders and a bit of clowning around.
