TECHNICAL SPECIFICATIONS

LOADING

There is no loading dock at this location; everything is loaded at street level, curbside. Loading occurs through the main lobby, and a single passenger elevator takes you to appropriate floors.

Main Doorway Dimensions: 66" wide x 82.5" tall

Elevator Dimensions: 48" doorway. Elevator itself is 5'9" wide x 8' deep x 7'5" tall

PEIRCE STUDIO - Loading

Access to the Peirce Studio is through a single 48" wide personnel door; anything loading in must fit through this doorway.

RESTROOMS

Public Restrooms are located on the Lower Level and can be accessed via the steps or elevator.

KITCHEN and CONCESSIONS

There is a small concessions counter in the lobby of the Peirce Studio with a small ice machine, sink, and refrigerator. There is no catering kitchen on site.

TRASH

Trash removal and cleaning is provided by Sunny Home Cleaning service. All open foods and any materials not fitting in trash receptacles must be removed at the end of the scheduled event by the renter.

WIFI and INTERNET

WIFI access is available throughout the building. Please contact the venue manager for the password and firewall access.

An Ethernet hard line is available only in the Peirce Studio.

TECHNICAL SPECIFICATIONS

PEIRCE STUDIO

LIGHTING:

The Peirce Studio is equipped with three banks of individually controlled fluorescent lights as well as dimmable track lighting along the Lobby and Balcony level. Lights can be controlled from the Peirce floor or in the balcony Tech Booth. Theatrical lighting instruments and control is available by request and may incur an additional charge.

RIGGING:

There are three static rigging pipes overhead running the length of the space at 20' high. Additional rigging points are from the railings along the balcony and upper lighting deck. For rigging needs please contact the space administrator, additional labor and setup costs may be added for rigging needs.

DRESSING ROOMS and GREEN ROOMS:

Dressing Rooms can be set aside, if requested, on the 2nd floor (2.5 flights up from the Studio Level) or in the Harris Theater. There are no private dressing rooms located on the Peirce Studio Level. There are no showers, private bathrooms, or laundry facilities on site. Flexible spaces can be created using pipe and drape.

RESTROOMS

Public Restrooms are located on the Lower Level and can be accessed via the steps or elevator.
