

THE DREIDEL GAME

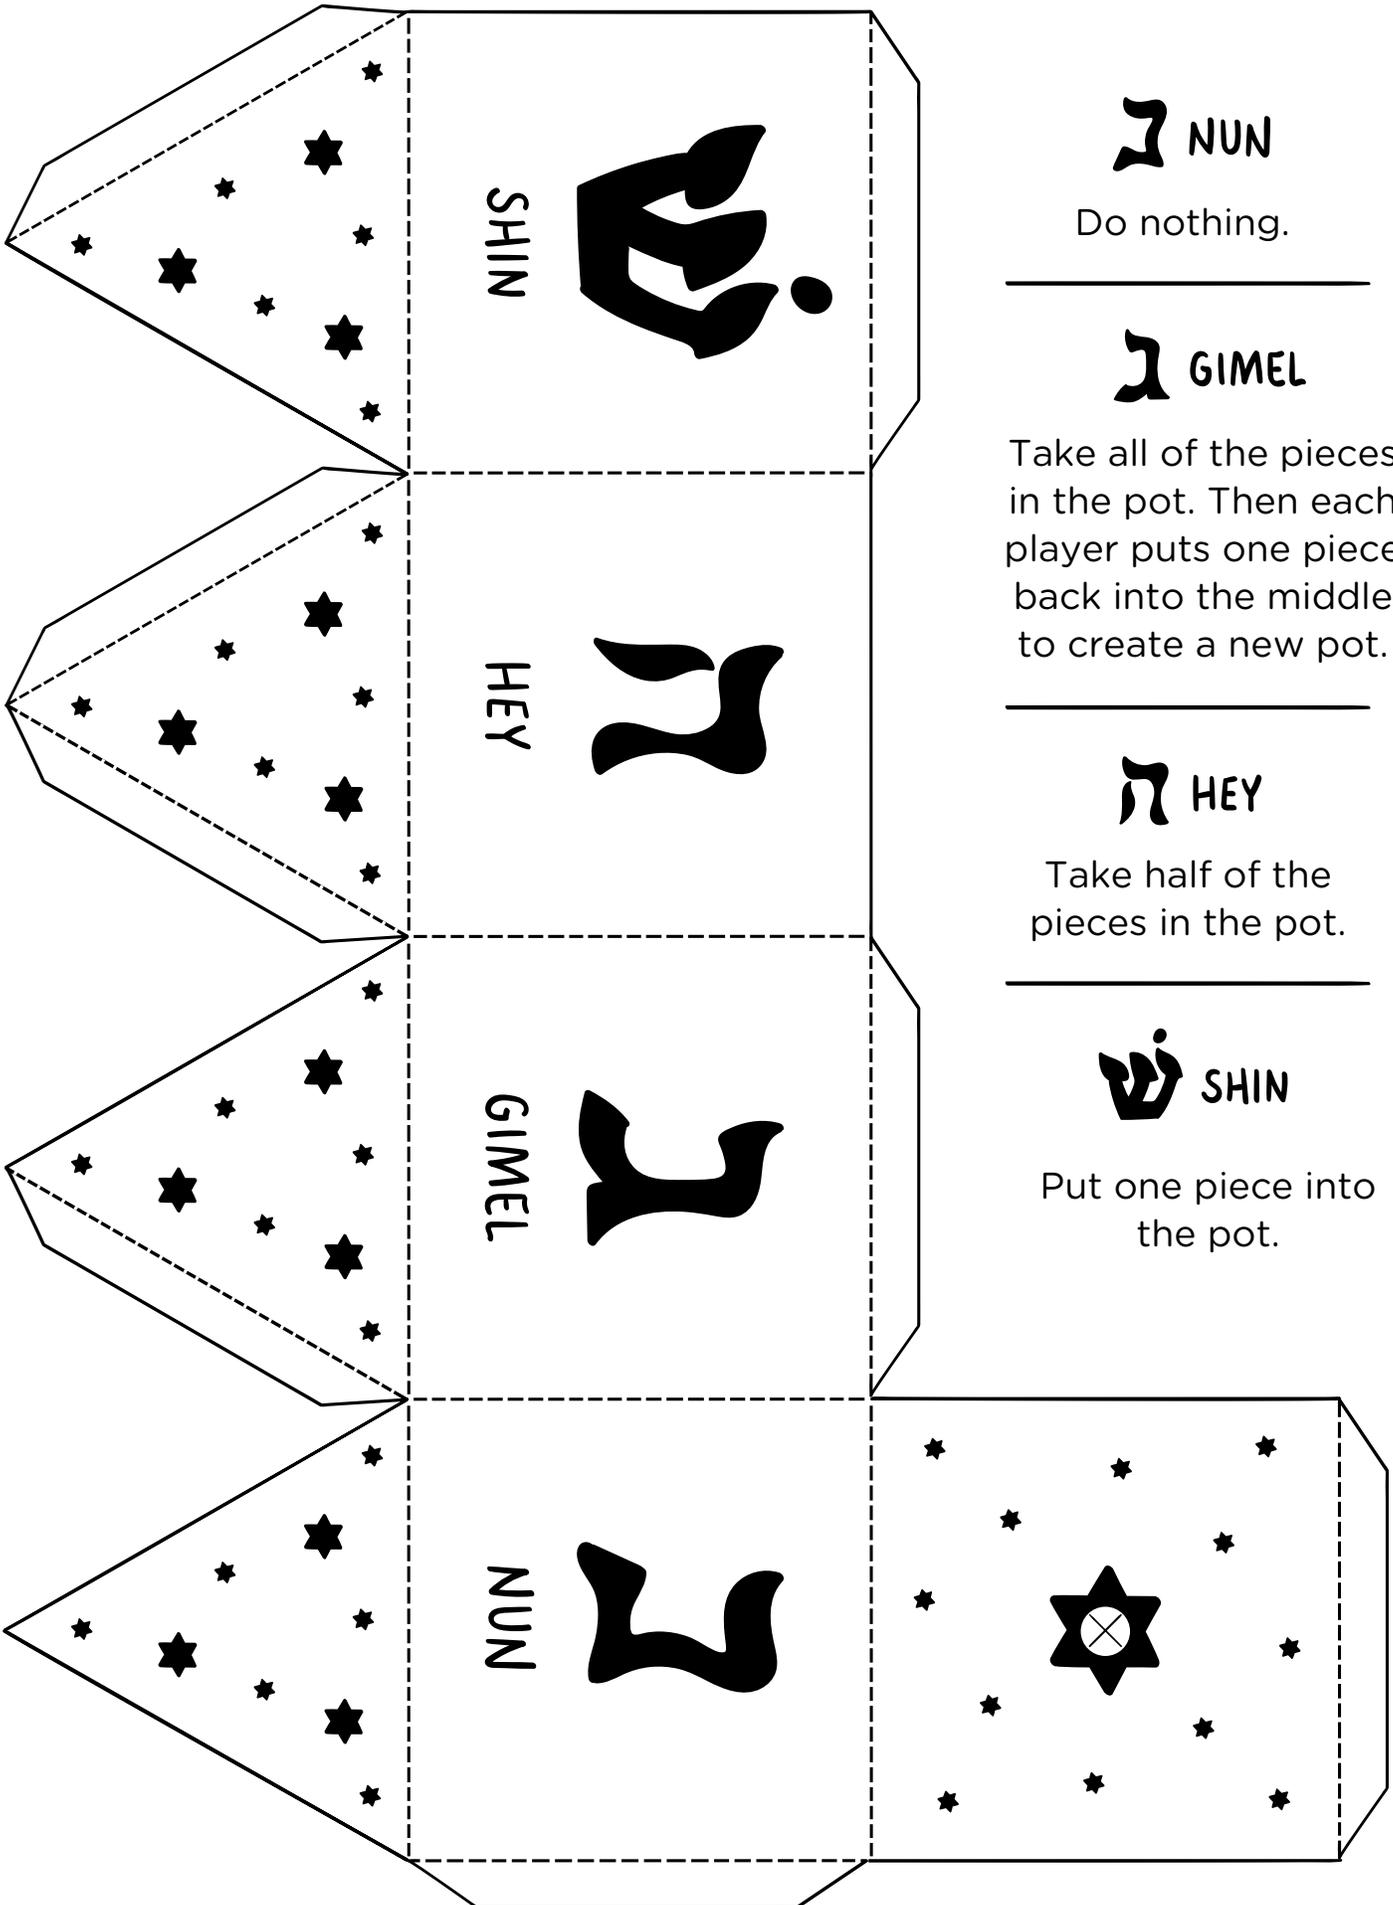

.....★ MAKE YOUR OWN DREIDEL ★.....

1. Color your dreidel.
2. Carefully cut out the dreidel along the solid black lines.
3. Fold along the dotted lines to create a dreidel with four sides, a flat top, and a pointy bottom.
4. Use tape or a glue stick to attach all of the sides together.
5. Stick a pencil all the way through your dreidel, from top through bottom.
6. Practice spinning your dreidel!

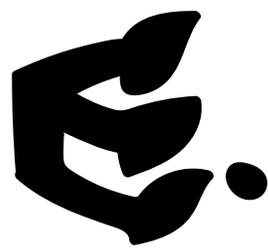

.....★ HOW TO PLAY DREIDEL ★.....

1. Ask a friend or family member to play dreidel with you. Any number of people can play.
2. You will need one dreidel and many small pieces. You can use chocolate coins (called gelt), small candies, nuts, raisins, or pennies.
3. Divide the pieces evenly among the players.
4. Have each player put one piece in the middle to create a small pile. This pile is called the pot.
5. Take turns spinning the dreidel. Follow the direction key on the cut-out page for whichever side lands facing up.
6. Keep taking turns until one person has collected all of the pieces!
